Our take on the much loved Bramble cocktail. Black-currant liqueur, lemon and sugar are mixed with a liberal amount of **Compass Box Orchard House Blended Scotch**. Who says whisky is not for everybody?

Scottish Tea

A whisky highball with the lovely essence of **Highland Park 12 years Single Malt whisky** combined with rhubarb and green peach tea. A carbonated cocktail that fits perfect for the sunny times we are in.

Billionaire Cocktail

150 dkk

Smoky, juicy and complex. We are using **Ardberg Uigeadail** to give this cocktail smoky and more fruity notes, that is working extremely well with the mix of peach liqueur, sloe gin, lime and a little touch of pomegranate syrup.

We are more than happy to substitute any of the whisky in our cocktails, and price accordingly

RICH & HEAVY COCKTAILS

Remember the Dane

150 dkk

Twist on the classic Remember the Maine. We have replaced the rye whisky with the danish single malt **Fary Lochan Sæson 1**, to bring out more malty notes in the cocktail. Then we mix together with sweet vermouth, danish cherry liqueur and finish with a spray of absithe for more anise aroma.

F*ck you Old Fashioned

Quite simply the best old fashioned we can make. The rarity of the whiskey that we use, makes this cocktail unique, yet will differ since we need to change out the whiskey from time to time. So feel free to ask what whiskey we are using for this amazing cocktail.
